## News from WorldGBC

### [WorldGBC Global Solutions Forum 2024: 2,000 days to Build the Transition](#)

On 25 June, we'll have just over 2,000 days to achieve our global 2030 climate goals.

So as part of London Climate Action Week, World Green Building Council (WorldGBC) will host our Global Solutions Forum – the flagship event of our biennial Leadership Summit – and you're invited!

The Forum is open to professionals working across the sustainability and building sectors, and will place an emphasis on finance as a critical tool to accelerate a sustainable transformation across the built environment. There is an early bird offer until **31 May 2024 of 14% discount off the full priced ticket**. [Find out more about the Forum on our dedicated web page here.](#)

### G7 Green Building Councils urge Ministers to bring buildings to the top of climate solution agenda

WorldGBC, alongside Green Building Councils (GBCs) representing G7 countries, have signed an open letter to the Climate Ministers at the G7

Ministers' Meeting on Climate, Energy and Environment, which took place in Turin, Italy on 27 April 2024.

The letter stresses the importance of buildings as a solution to deliver a decarbonised, resilient, and equitable future, and that we need heightened political ambition from G7 leaders to make it happen.

## Take action

### [Signify announces ambitious new net zero reduction targets](#)

WorldGBC Corporate Advisory Board member [Signify](#) has announced that it is introducing an ambitious new 2040 net zero reduction target, as well as a commitment to reduce absolute scope 1, 2 and 3 greenhouse gas (GHG) emissions by 90% without the use of carbon credits. These targets have been reviewed and validated by the Science Based Targets initiative (SBTi).

## A thank you to Jorge Chapa

In this month's edition, we are excited to spotlight a remarkable individual whose contributions continue to have an indelible mark on our community – Jorge Chapa, who for the last six months has supported WorldGBC as Senior Strategic Advisor.

Jorge's involvement with WorldGBC has been nothing short of exceptional, and it's a privilege to share this with all of you.

Jorge's ability to advise us as we recalibrate the WorldGBC strategy has propelled us forward and enhanced our future impact thinking; his innovative approach and passionate advocacy for sustainable

**Jorge Chapa**, Chief Impact Officer,  
Green Building Council Australia

building practices have been an inspiration.

Jorge's experience and strategic insight have been pivotal in enhancing our initiatives, but it is his personal qualities that set him apart – a seasoned team builder, Jorge has infused our projects with a true spirit of collaboration.

Thank you Jorge, for your remarkable contributions and for the many more we anticipate together.

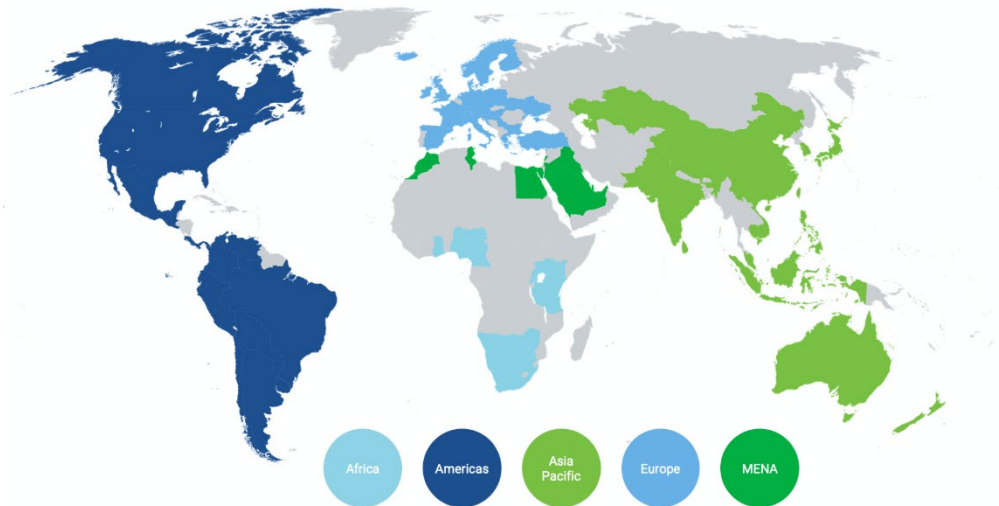

## Final thought...

...Cristina Gamboa, CEO, WorldGBC

I am inspired by the action we have seen across our network these past few months and there is so much more to look forward to, with the WorldGBC Leadership Summit 2024, 'Building the Transition', coming up next in June. [Find out more and join us here.](#)
